APPROPRIATIONS—MAKING APPROPRIATIONS FOR THE  
SUPPORT OF THE STATE GOVERNMENT FOR TWO  
YEARS BEGINNING SEPTEMBER 1, 1909, AND  
ENDING AUGUST 31, 1911.

H. B. No. 18.]

CHAPTER 28.

An Act making appropriations for the support of the State government for two years, beginning September 1, 1909, and ending August 31, 1911, and for other purposes, prescribing certain regulations and restrictions in respect thereto; to make additional appropriations for the support of the State government for the year ending August 31, 1909, and to pay various miscellaneous claims against the State, and authorizing the payment of said miscellaneous items upon the taking effect of this Act, and declaring an emergency.

*Be it enacted by the Legislature of the State of Texas:*

SECTION 1. That the following sums of money, or so much thereof as may be necessary, be and the same are hereby appropriated out of any money in the treasury not otherwise appropriated, for the support of the State government from September 1, 1909, to August 31, 1911, and for other purposes, and for additional amounts to support the State government for the year ending August 31, 1909, and to pay various miscellaneous claims against the State as herein enumerated; provided, that each and every employee of each and every institution or department of this State shall be paid by voucher issued in his or her name; said voucher shall state the amount

of salary or sum due, and for what service performed, with the date and time of said service, and no money or moneys shall be paid except upon presentation of said voucher or vouchers endorsed by the payee; provided further, that all of said vouchers upon which any money or moneys have been paid shall be filed with the Comptroller for the inspection of the Governor and the Legislature, or by their authority; and provided, further, that correct accounts shall be kept for all sums paid, or obligations outstanding against each item of appropriation herein and weekly statements of the net balances to the credit of each account, after all payments made and obligations outstanding have been deducted, shall be forwarded to the State Comptroller, and it shall be unlawful for the State Purchasing Agent or the authority in charge of any institution or department of this State to purchase or issue orders for any supplies or to otherwise pledge the credit of this State beyond the amounts herein appropriated or otherwise lawfully authorized.

Provided, that it shall be the duty of said clerk, on the first Monday of July, October, January and April of each year, to make a report to the Comptroller, showing the amount of such fees collected each year, giving the number of cases, but not necessarily the style of the case, together with the fees from other sources, stating in each instance the source. The reports shall also show the amounts paid for the service of the deputy clerk or clerks, as the case may be, and also the probable amount necessary to pay the salaries of the deputies for the ensuing quarter, which amount may be retained by the clerk. The report shall be accompanied by the receipt or receipts of the State Treasurer for any balance that may remain after deducting from the amounts received the amounts to be paid out and so retained.

Provided, that the amounts herein appropriated for each item as stated herein, and no more, shall be paid out of the general revenue for the Supreme Court during the fiscal years beginning September 1, 1909, and ending August 31, 1911, and no surplus shall be diverted from one account to another account; and provided further, that no deficiency shall be created, nor shall any warrants be issued or obligations incurred in excess of the amounts herein appropriated.

Provided, that the appropriations above made for the State Institution for the Training of Juveniles, shall not be available if any woman is appointed as a member of the Board of Managers of this Institution who is not a mother.

Provided, that the head of said institution keep a record of the absences of the various employes and the reasons therefor, whether from sickness, vacation or on leave of absence, and said record of such absences shall be incorporated in the report made annually by the head of said department.

Provided, that the amounts herein appropriated for each item as stated herein, and no more, shall be paid out of the general revenue for the State Institution for the Training of Juveniles during the fiscal years beginning September 1, 1909, and ending August 31, 1911, and no surplus shall be diverted from one account to another account; and

provided further, that no deficiency shall be created, nor shall any warrants be issued or obligations incurred in excess of the amounts herein appropriated.

Provided, that the Superintendent of the State Institution for the Training of Juveniles is hereby required to rent sufficient land to keep all inmates employed.

*State Penitentiaries.*

For the Years Ending—  
Aug. 31, 1910.      Aug. 31, 1911.

The proceeds of all convict labor, or so much thereof as may be necessary, are herein appropriated for maintenance and support, and out of the general revenue no more than the following sums shall be paid for the purpose herein set forth:

|   |              |              |
|---|--------------|--------------|
| For conveying convicts to the penitentiaries and reformatory..... | \$ 12,000 00 | \$ 12,000 00 |
| Total .....   | \$ 12,000 00 | \$ 12,000 00 |

Provided that the Financial Agent of the State Penitentiaries shall set aside at least one hundred dollars (\$100.00) from the available fund of the penitentiary system to be expended at the Rusk prison and the same amount at the Huntsville prison for literature, to be under the direction of the chaplain of these prisons.

Provided, that the proceeds of all products manufactured or otherwise of the penitentiary, and all proceeds arising from the lease of convicts and from all other sources shall be reported to the Governor on the first day of each month, and statements of all expenses or obligations, whether for salaries paid, labor performed, purchase of material, supplies or provisions or otherwise, and all receipts arising from any source whatever, shall be made to the Governor monthly; provided, said accounts shall be itemized, showing to whom salaries are paid and for what service, and the time of said service; and accompanied by vouchers receipted by said employe; and provided further, that such monthly statements, when accompanied by all vouchers endorsed for services rendered, supplies purchased or otherwise, as provided in Section 1 of this Act, when submitted to and approved by the Governor shall be deemed sufficient authority for the Penitentiary Board to retain such amount of money or moneys on hand to meet the expenditures set forth in such statement; provided, that the amounts herein appropriated for each item as stated herein, and no more, shall be paid out of the general revenue for the State Penitentiaries during the fiscal years beginning September 1, 1909, and ending August 31, 1911, and no surplus shall be diverted from one account to another account; and provided further that no deficiency shall be created, nor shall any warrants be issued or obligations incurred in excess of the amounts herein appropriated.

Provided, that the Penitentiary Board is hereby authorized to pay out of any money to the credit of the penitentiary in addition to the

amounts paid under the law the necessary traveling expenses for inspectors and other employes of the penitentiary or reformatory when traveling on the State's business.

It is hereby expressly provided that all appropriations provided herein for new buildings shall be construed to mean for such buildings complete, unless otherwise specified.

Provided, that any portion of appropriations made herein for the year ending August 31, 1910, for maintenance and support, the erection, remodeling or equipment, for repairs of buildings or for any institution of this State for which appropriations have been made herein which remain unexpended at the end of said fiscal year, shall be available and may be used for the year ending August 31, 1911.

Provided further, that no surplus shall be diverted from one account to another account, and the money appropriated, or so much thereof as may be necessary, shall be applied to the payment of each item for which the appropriation is respectively made and nothing else. No deficiency shall be created, nor shall any warrants be issued or obligations incurred in excess of the amounts herein appropriated.

Provided, that the Governor, in case of any extraordinary emergency, may authorize a deficiency for such purpose or purposes which could not have been anticipated or provided for by the Legislature. This provision shall apply to all State institutions and departments.

All money appropriated by this Act shall remain in the State Treasury and be paid out only as it is expended or as the necessity or emergency may require.

By the use of the word "maintenance" in any provision or Section of this bill is intended to mean and shall mean and be construed as and for the support of the several institutions named, and not the construction or for the repairs of any building or other improvements for or of said institution, and no warrants shall be drawn or paid on said maintenance fund, except for the purposes herein stated.

Nothing in this Act shall be held to repeal or impair the authority conferred by Chapter 46 of the Acts of the Twenty-fifth Legislature, Regular Session, on pages 46 and 47 thereof, providing for the creation of deficiencies, and authorizing the Governor to act in cases of emergency. And it is further provided, that it shall be unlawful for the head of any department of this State, for the support of which any money is appropriated by this Act, to approve any claim, or for the Comptroller of this State to draw any warrant for the payment of any claim for money appropriated by this Act, or for the Treasurer of this State to pay any money appropriated by this Act, for services performed after this Act takes effect to any person employed in any of the departments of the State government who may be related within the third degree of consanguinity or affinity to the head of the department who has the power in whole or in part to make such appointment, and any person violating this provision of this Act, upon conviction thereof, shall be punished as provided by the law passed by the Thirtieth Legislature prohibiting nepotism.

Provided further, that the head of each department of this State for which an appropriation is herein made, shall, from and after the taking effect of this bill, require each and every employe to work not

less than eight hours each and every work day, and for every day or part thereof he fails to so work, he shall have deducted from his salary or wages the time so lost, unless he or she was sick or physically disabled from performing such duties, provided that employes in the service of the State who have been in such service one year or more may be entitled to a vacation not to exceed fifteen days in any one year without any reduction of salary.

Provided further, that all buildings for the erection and equipment of which appropriations have been made under this Act and all improvements and repairing of any public building, shall be erected and made under the direction, management and supervision of a competent architect, to be appointed by the board of managers of the institution for which said improvement is made, and approved by the Governor, whose fees and salary shall be deducted from the respective appropriations made for such purpose, not to exceed \$2500 per annum, and he shall perform such duties in relation thereto as may be directed by said board. Bids to erect, equip or repair such buildings shall be let by said board to the lowest responsible bidder, notice of which shall be given in some daily paper in this State; the contractor shall enter into a good and solvent bond, payable to the president of said board at his place of residence, conditioned that he will do the work contracted for according to the plans and specifications to be furnished by said architect, and use such materials in the construction or repair of said buildings as may be called for in said plans and specifications. Said board shall have general supervisory control over such improvements jointly and in connection with said architect, one-fourth to be paid when the work begins and the material is on the ground, and the other three-fourths to be paid as the judgment of said board may deem proper; provided, that the Comptroller shall not issue any warrants except upon an itemized statement, sworn to by the contractor and approved by said board and architect as a voucher for same, which shall be filed with the Comptroller. And it is expressly provided, that where a new building and equipment or additions to old buildings as provided for in this Act, the same shall be completed in all their parts, and no plans and specifications shall be accepted by the board or any institution that will involve a greater outlay of money to fully complete any building and all equipments and appurtenances thereto than the several amounts herein appropriated for that purpose.

And provided further, that all architects employed as herein provided for shall execute and deliver to the board of managers of the State institution for which improvements and repairs are to be made a good and sufficient bond, payable to the Governor of the State, in such amount as such board of managers may require, conditioned that such architect shall be liable and bound to pay the State of Texas all such damages as it may sustain by reason of defective plans and specifications or for any wilful failure or negligent performance of duty.

Provided, that all the officers and employes of any State eleemosynary institution, where it is believed to be necessary by the board of managers and superintendent that they reside at such institution, may, in addition to the salary herein provided for, receive their board and housing when

practicable, and laundry; and provided further, that no person in any event shall reside in any of such institutions other than the officers and employes thereof, except the family of the superintendent and the families of the assistant physicians and store-keeper and accountant (if any), in case the superintendent and board shall deem it to the best interest of the institution that such families should reside therein, and where the said families or members thereof do reside in such institution, it shall be the duty of the board of managers to have charged to each of them the reasonable cost to the State by reason of supplies and service in preparation of their board and laundry at such institution, at reasonable cost of such laundry, and the superintendent shall collect the same monthly and remit the amount so collected to the State Treasury.
